

CLASSIC BABY CHANGE FACILITIES

Our stylish, classic baby change tables have a slim profile and can fit into the smallest washrooms. The unit is easy to clean and resists odours and bacteria growth. The non-absorbant child strap provides effortless size adjustment with one hand. There is also convenient bag hooks on both sides of the unit. Concealed pneumatic gas spring mechanism for smooth, safe and effortless opening and closing.

KOALA KARE BABY CHANGE FACILITIES

Our Koala Kare change tables have a sleek design and colour palette that matches modern restroom design and décor. The Baby Change table is constructed of polypropylene and has a unibody steel chassis for superior strength. The steel hinge resists wear and improves durability while the gas spring mechanism ensures a smooth opening. The bed surface exclusively contains Microban® antimicrobial, reducing odor causing bacteria.

HORIZONTAL DESIGN
